Hideaway Lake Club, Inc
101 Hideaway Lane Central
Hideaway, Texas 75771

Att'n: Joannie Hayes, Acting General Manager

Subject: Hideaway Lake Community Church New Building Construction

Ref: Lease Agreement between the Church and the Club, dated 8/24/2008

Dear Ms Hayes;

This letter is to advise you of our understanding of one of the uses of the leased property as defined in the referenced lease document. In paragraph 1. Leased Premises, subparagraph a., there is a reference to, among other items, the "septic spray field". We presume that to mean that the field in question is usable for the application of treated septic system effluent, using either a spray or drip system method.

The church respectfully requests your approval of this clarification at your earliest convenience.

If you have any questions, please call.

Yours truly,

Hideaway Lake Community Church,

Doug Byrd
Chairman, Hideaway Lake Community Church Building Committee
