Hideaway Community Church

ATTN: Doug Byrd

Subject: Hideaway Community Church New Building Construction

Dear Mr. Byrd,

I have reviewed your letter dtd June 13, 2013 for Parking Lot Lighting, Steel Bridge across spillway channel and Children's Playground Fence. Although I am the approving authority for such requests related to the leased property I have consulted with Chris Meador, Joe Dillard and Jerry Godfrey in the decision and have notified members of the Board of Directors.

I approve the request as written and appreciate your communication to me regarding all matters related to the leased property. A copy of this letter along with your letter requesting the improvements will be placed with the Building file and Church file in the Administrative Building.

If you have any questions, please call.

Yours Truly,

Dennis J Godoy
General Manager
Hideaway Lake Club, Inc.
